Experience the thrill of bicycle racing with PDQ Cleveland, an affiliate of American Bicycle Racing (ABR)!

Founded in 1990, we are a club of about 25 riders, most of whom reside on the west side of Greater Cleveland and fall within the 30-50 year age range, but membership is open to any interested individual. USCF or ABR membership is encouraged, but not required. Mountain biking? Some do that too every now and then, but road racing is our primary focus.

ACTIVITIES

Racing is the club's emphasis . . . over the years, members have competed in events from New York to California and points in between. Training rides take place throughout the year, as announced. Parties and programs crop up from time to time, as the occasion presents.

MEETINGS

Club business is decided at open-forum meetings held annually and at other times, as the need arises; we try to keep such gatherings brief and to a minimum. All members, new or old, are encouraged to take part in the decision-making process.

RACE PROMOTION

Since 1995, we have staged more than 20 events of nearly every type, including numerous circuit races, a team time trial, an individual time trial, and even a mountain bike race. For 2008, we proudly present the twelfth annual . . .

Chippewa Creek Road Race	<i>Le Circuit de Grimpeurs</i>
